

"JKB: A Paws-itively WILD Experience!"
The Official JKB Yearbook
2008-09

Order your copy of the 2008-09 yearbook today. Just complete the information on the envelope, enclose your payment, and return the envelope to school, then look forward to receiving your book in mid-May. The book will include individual student pictures and snapshots of this year's school activities. Again this year the cover will be the design of one of our very own PUP ARTISTS.

This year each classroom will have its own snapshot page and will have 16 more color pages than last year's book. The school annual basic cost is \$19.00 for the soft cover book. Add \$2.00 to have your book personalized with your name on the cover. Add an additional \$4.00 if you prefer to have a hard cover edition. The total amount of money in your envelope will allow the yearbook team to know which yearbook you have chosen.

Example: Basic yearbook	\$19.00	Basic yearbook	\$19.00
Personalized	2.00	Personalized	<u>2.00</u>
Hard cover	<u>4.00</u>	Total	\$ 21.00
Total	\$25.00		

Please return the order envelope with your payment by January 23, 2008. Make checks payable to JKB. Use one envelope for each student and please do not fold currency. We will return a receipt to you. Keep the receipt as proof of purchase and return the receipt to school in May when the books arrive.

Order before February 10.
