

Anna ISD Mission Statement and Goals

The mission of Anna ISD is to prepare students with an exemplary education that will enable them to be productive citizens within our local community and society.

Goal 1 The District will attain “Exemplary” status by 2010.

Goal 2 The District will focus on providing a positive campus climate for employees.

Goal 3 The District will continue to refine curriculum and programs to maximize student success.

Goal 4 The District will continue to improve and expand facilities for the future.

Goal 5 The District will recruit, develop and retain high quality employees by having salary and benefits that remain competitive in our geographic area.
